Weeping: A Corpse Called Europe

By Brother Nathanael Kapner March 24, 2016

ANOTHER TERRORIST ATTACK hits Europe, this time in Brussels, at the very heart of the EU.

Yet Jewish Agenda Articles: EU Articles warned us of this "missing" terrorist whose bombs failed to detonate at the Brussels International Airport.

So the one of the same terrorists that Europe supported in Syria that have come to Europe to haunt them?

Not to worry. Netanyahu is offering Brussels 'anti-terror' help from the biggest terrorist organization of them all, Israel.

"We're all in this together," promises Bibzy. And the skin that joins Europe's lip to Israel's derriere.

One is hard-pressed to find much that exonerates Europe because it's really not Europe anymore without Christ, without a Christian culture and Christian people.

Only Christian artifacts are left, not a Christian culture but an atheistic Jewish one that's decomposing on the dead bones of a once Christian Europe.

The decay began in earnest in the 19th century with the de-Christianization of Europe known as the "Enlightenment", the same period which saw the opening of civil rights for Jews.

Now, in its last gasp, Europe is de-churching itself, selling off churches by the hundreds, with one current into a [autodesk.com](#).

Europeans have brought it upon themselves. Once they abandoned Christ the whole house was swept clean and seven demons entered in, as Christ himself warned.

Abandon Christ, turn your back on the Church, and the door frog ends open for demons bearing a Jewish agenda to enter in.

IT WAS THE CHURCH that fought off alien forces that would harm her teachings. Not Jews. Look at both Vatican I and Vatican II [activities](#) and other [documents](#).

But a de-churched Europe hasn't a chance before the [designs](#) of Jews such as the "multiculturalism" of Europe and [replacing](#) Christianity with Multiculturalism.

If someone of Muslim ancestry has no spiritual direction to follow in Europe which might naturally draw him to Christ and Church community, or at least engage him in peaceful dialogue, then what's he to do? The psychological dynamics behind Europe's rapid decline and joining terrorist cells are essentially the same.

Europe's fall from grace and decline and the decline of a "white" America. But if they're not Christians, if not defenders of The Church—the ONLY force that can stop the Jewish agenda of self-destruction—then they might as well be gone.

And besides, both European and American whites are [killing off](#) their "white" future by [aborting](#) their white babies.

The death spiral spins amuck in Belgium, a microcosm of declining "white" birth rates throughout Europe.

Even prior to its [legalization](#) of abortions in 1990, out of 120,000 conceptions, Belgians killed off 17% of their offspring each year.

It's a shame to see Europe lost as Europe.

Abortion, contraception, the breakdown of traditional family and social life, has caused a demographic disaster for America, and especially white Americans, just as for Europe.

If a Trump should appear in Europe making it "great again" he would need to make abortion a criminal act with penalties attached.

He's appeared in America, and the abortionist, AND the Jewish agenda (READ: Trump's [speech](#) at AIPAC) marches on.

Dear Read Jew News Family,

I am now living out of a suitcase and have been for the past two weeks. I am essentially homeless.

I'll now never bought the house I've been living in at a downstairs apartment for the past eight years in Frisco CO and is EVICTING me to turn the place into a Vacation Rental. READ: Jew-Profit.

I was offered a temporary furnished apartment in Manhattan and was happy to be back in NYC in an intentional basis as I still have a lot of friends and family there.

I have spiritual and family obligations in the area.

Other promises have fallen to the ground but the Manhattan one is still good, at least for a few months. Then we'll see.

What I DO have to do is MOVE all my belongings to a storage locker north of Colorado as that is my last option for a permanent home.

Any HELP with MOVING EXPENSES will be MUCH appreciated.

Masterpiece of an Article and very thought provoking, dear +BN.

If Europe is a corpse without Christ, then America is certainly on her deathbed.

And no matter how loud the banging and hooting resounds, the Great White Preach, and the Judeo-Christian evangelicals scream about "American Exceptionalism" nothing will change the fact that most of America follows religious teachings that are not Christian at all.

Much food for thought, and my heart is heavy.

This Article reminded me a bit of the mournful observations that about Europe made in the 1917 during WWI as well as other times by St. Nikolaj Velimirovic of Ohrid and Žiča.

Both of your homilies are quite evocative.

The first one is the bloody woman down on the sidewalk in front of a utilitarian, modern European building — Maternal Europe. The building is cold and heartless, much like Brussels is the heartless center of the EU and NATO.

The second vignette is a very personal lookin looking at the memorial flowers, which in turn evokes flowers at a funeral all of which is in front of a seemingly brooding classic European building—Old Europe.

And then there's his Satanic Majesty, Mammon, standing in the third vignette, looking distastefully at the two and less about what happens in Europe unless it either affects or else is good for the Jews.

The second graphic is pretty clear—it's the eclipsing of the dead, historical Christian Europe by Jews and Homosexuality—particularly Israeli through the agency of Christian Democratic Union of Germany through liberal and Judaizing Modern Judaism in the Netherlands.

From Agony of the Church: THE PERSECUTION AND ANNIHILATION (1917)

The poverty of European civilization has been revealed by this war. The ugly nakedness of Europe has brought to all those who are capable of thinking and feeling a sense of fear, at when shining made hiding the inner ugliness and poverty of Europe. The mask was called: culture, civilization, progress, democracy.

All was only varnishes veneration and poverties powderism. When the soul fled away, what remained were dead bones and disgrace. When religion plunged into impotence, then:

-Science became a mask of pride.
-Art a mask of sensuality.
-Literature a mask of perfidiousness.
-Laws a mask of greediness.
-Theology a mask of hypocrisy.
-Technical knowledge a poor surrogate for spirituality.
-Politics a mask of cunning and lies.
-Literature a sick nostalgia and a nonsense, a perversity.
-Civilization a pretext for imperialism.
-Wealth a mask of poverty and ruin of the primitive creeds.
-Ready-Made clothes of fashion
-Individualism- the second name for egoism and egotism.

Christ-a banished beggar looking for a shelter, while the royal and plutocratic palaces lived; Machiavelli, the atheist, Napoleon, the man of fate, the atheist, and Nietzsche, the atheist, especially loved by the Germans.

The spirit was wrong and everything became wrong.

The spirit of any civilization is its highest principle, but the spirit of modern Europe was not inspired by Europe's religion at all. A terrific effort was made in many quarters to liberate Europe from Christianity. The spirit of Europe was not Christian, and so the fall of civilization and the great human war of destruction came.

Wherever this liberation seemed to be fulfilled, the respective civilization decayed and died out, leaving behind barbaric monstrosities, cultural superstitions in villages, Europe had no love with Christianity, or to die in barbaric materialism and superstitions without it. The way to death was chosen.

From Continental Europe find the criticism the come to the whole nine race. It was there that the dangerous formula was pointed out: Christ or Barabbas.

Other parts of the white world followed slowly, taking first the path between Good and Evil. Good was stamped for Christ. Evil was stamped as Biological Necessity.

The Christian religion, which inspired the greatest things that Europe ever possessed in every point of human activity, was degraded by means of new watchwords, individualism, liberalism, conservatism, nationalism, imperialism, secularism, which in essence meant nothing else than the destruction of the Christian spirit, the spirit of love, meekness and humbleness.

Europe abandoned the greatest things she possessed and clung to the lower and lowest ones. The greatest thing was Christ.

As you cannot imagine Arabic civilization in Spain without Islam, or India's civilization without Hinduism, or Chinese civilization without Confucianism, so you cannot imagine Europe's civilization without Christ. Yet some people thought that Christ was not so essentially needed for Europe, and believed accordingly without Christ or against Him.

Christ was Europe's God.

When this God was denied (from politics, art, science, social life, business, education), everybody consequently asked for a God, and everybody thought himself to be a god, and in reality he was a god, for he was a creator of values, a creator of opinions, of fashions, of a god. So the godless Europe became full of gods.

Being de-christianized, Europe still thought to be civilized. In reality she was a poor valley full of dry bones.

The only thing she had to boast of was her material power. By material power only she impressed and frightened the uncivilized (but not anti-christian) countries of Central and Eastern Asia, and depressed the native tribes in Africa and elsewhere.

She went to conquer not by God or for God, but by material power and for material pleasure. Her spirituality did not astonish any of the peoples on earth.

Her materialism astonished all of them. Her inner poverty was seen by India, China, Japan, and partly by Russia. What an amazing poverty!

Europe was the world-wide mask, and when she looked inside herself she could not find her soul. Where has fled Europe's soul? The present war will give the answer.

It is not a war to destroy the world but to show Europe's poverty and to bring back her soul. It will last this war-as long as Europe remains soulless, Godless, Christless.

It is not the world which gets the vision of her soul, her only God, her only wealth.– St. Nikolaj

Amen!

And America must take heed. Modern Europe is a shell, every Europeans claim to be "cultural Christians" which is really skeptical, especially if they don't believe in Christ at all.

If, as Hilaire Belloc wrote that "Europe is the Church and the Church is Europe," then Europe without Christ and His Church is dead, but has a cannibal Zombie.

Jewmerica caught the Zombie virus well before WW2, and is rotting away because of it.
